OMF WILL HOST OPEN MUSIC SESSION AND LOT PARTY

(Denver, CO) July 2015 The Open Media Foundation (OMF) will host an Open Music Session and outdoor Lot Party on Friday, August 7 to celebrate the La Alma/Lincoln Park neighborhood with free food, music, and fun. The event will kick off at 6:00 p.m. and conclude at 9:30 p.m.

This free neighborhood party and media extravaganza is focused on bringing together nonprofit services with the community's residents, and building local partnerships throughout the neighborhood. The event will be held inside and outside the Denver Open Media (DOM) studios at 700 Kalamath Street, one block past Santa Fe. DOM will broadcast live via cable and internet streams and feature a concert from local indie-rock trio, [The Still Tide](#), inside the studio. Colorado-based comedian [Sam Tallent](#) will also take the stage to bring the laughter.

In addition to its regular live TV entertainment show from the Denver Open Media studios, DOM will play host to dozens of nonprofits, activities, food and drinks for the whole family throughout the lot. The Social Enterprise Alliance will be featured in the nonprofit spotlight to build excitement for their national Summit coming to the Downtown Denver Embassy Suites, September 16-18. Our neighbors, Denhac, will have their garage open and contribute to the event as well. Kids can expect a bouncy house and adults can look forward to connecting with a number of local nonprofits and groups. Confirmed organizations in attendance include: [Colorado Progressive Coalition](#), [Youth on Record](#), [KGNU](#), [Social Enterprise Alliance](#), [Colorado](#)

[Organization for Latina Opportunity and Reproductive Rights](#), [ShareLingo](#), and [JustMedia](#).

We'd like to recognize and thank our event sponsors: [Illegal Pete's](#) and [Greater Than Collective](#).

For more information, please visit our [website](#) and check out our Facebook [event](#).

About the Open Media Foundation: The Open Media Foundation (OMF) works to put the power of media technologies in the hands of civic-minded individuals and groups. OMF produces high-end media content for nonprofits and public sector organizations. It also provides access to affordable media education and technical resources to anyone interested in expressing their own voice. In addition, OMF operates Denver Open Media, Denver's public access TV station. To find out more about OMF, visit www.openmediafoundation.org.
