### Letter from the Executive Director

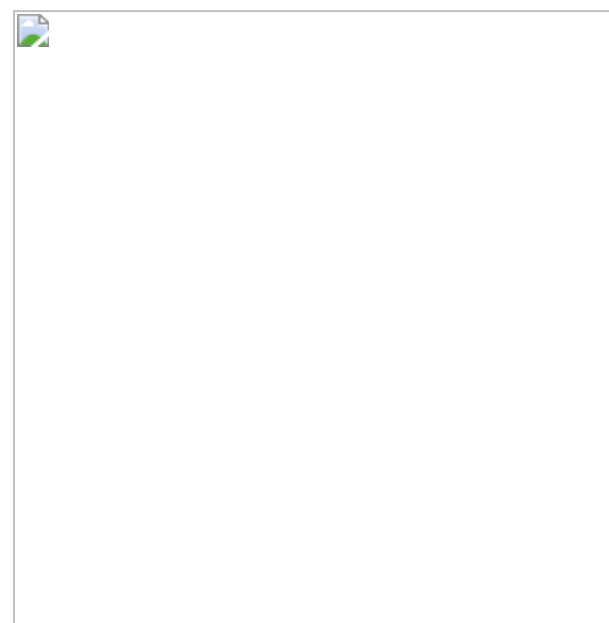

If you haven't seen how our First Friday events have blossomed with the [Open Music Sessions](#), in partnership with [Greater Than Collective](#) and [the Westword](#), be sure to join us this Friday. Beyond the usual music and comedy you've come to expect, we'll also be hosting a [Lot Party](#) together with large number of community partners.

The [Social Enterprise Alliance](#) will be here to promote their upcoming [SEA Summit](#), and our friends at [Denver Gives Week](#), will also be here to talk about their free, invaluable conference for nonprofits, August 10 - 15 in downtown Denver. If you are with a local nonprofit organization, be sure to check out both these great opportunities happening right here in Denver. We hope to see you there!

### Open Music Sessions and Lot Party at Denver Open Media, August 7

On the first Friday of each month, DOM hosts a community event with local performance groups, musical acts and nonprofit partners. These events are broadcast live on Comcast Channel 57 in Denver as well as streamed on [DOM's website](#). Events are cablecast and streamed live in Denver Open Media's Studio A.

Join DOM for this month's Open Music Sessions on Friday, August 7, featuring a live musical performance by **The Still Tide**.

#### **The Still Tide**

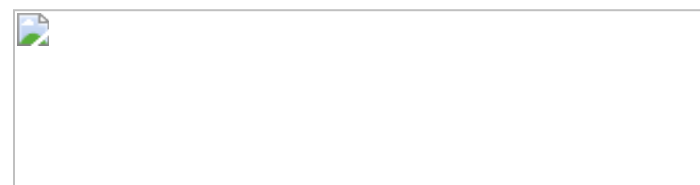

Having left behind New York City's jagged cityscape for the mountains of Denver's skyline, indie rock trio [The Still Tide](#) has at last found a place to call home. Written and recorded in the aftermath of the move, their new EP *Half Empty Rooms* refracts the grit and urgency of city life through the lens of Colorado's clean air and open space, creating a sound that occupies the liminal area between folk song and shoegaze, aspen trees and streetlights.

The **Lot Party** begins at 6 pm. Join us for this FREE neighborhood event, complete with food, drinks and a bouncy castle!

Please join our [Facebook event](#) and share us!

### Denver Gives Week

Open Media Foundation is a proud partner for the first year of [Denver Gives Week](#). Inspired by Denver Startup Week, Denver Gives Week is a free, week-long event featuring presentations and seminars to help small nonprofit organizations in the Denver area.

Monday will feature this year's GoogleFest. On Tuesday, Open Media Foundation will present on a variety of topics: Google AdWords, Google Analytics, Livestreaming, Shooting Quality Video, and Editing Solutions. And there will be a full-day presentation by [Denver Peak Academy](#) on Wednesday.

Click [here](#) for a full list of the week's activities and to register.

### OMP for Government Presentation

As champions of expanding civic engagement and government transparency, the Open Media Foundation provides monthly trainings on

emerging solutions for governments to broadcast their meetings. From Google Hangouts on Air to YouTube to the Open Media Project for Governments, the workshop highlighted solutions to increase government transparency for all ranges of budgets.
