Start Your Podcast Today

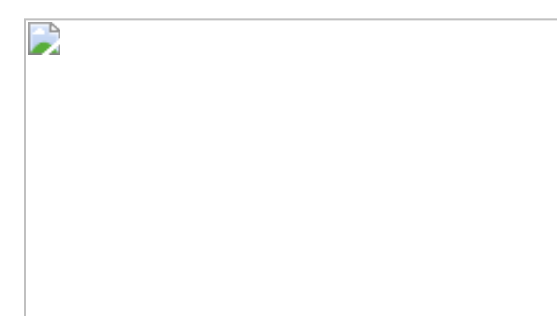

Record the first episode of your podcast, today, for just \$20!

We believe in equal access to media for everybody, and we understand that many who want to start a podcast lack the technical knowledge and tools to record one.

So we decided to provide both the technical skills and the tools for one low flat rate.

Available to everyone, this one-hour service includes a basic podcast setup for two people and technical assistance in the studio. We will make sure that you are recording a high-quality podcast while also telling a compelling story.
