

Welcome to Our New AmeriCorps VISTA

Please join us in welcoming Jennifer Galvez to Open Media, our new AmeriCorps VISTA from the island of Kauai, working on the [Open Media Career Engine](#).

"As a true Kauai Girl, I enjoyed sunsets and sunrises, white sand beaches and starry skies. My most recent adventure is moving to Denver, Colorado in October 2021 to join Open Media Foundation as an AmeriCorps VISTA. I graduated from the University of Hawaii - West Oahu with a Bachelor of Arts degree in Social Sciences - Psychology, and the University of Hawaii at Manoa Shidler College of Business with a Master of Human Resource Management. I look forward to using my background, skills, experiences and passion for capacity building and eliminating barriers."

Join an Open Media Committee

My name is Jennifer Galvez. I'm an AmeriCorps VISTA working on the Open Media Careers Engine to support efforts to increase the diversity of Colorado's media & journalism workforce. For community members interested in participating in joining Open Media staff and board members in one of our upcoming committee meetings, it is a great way to support the organization and is also the path to joining the Open Media Board of directors.

I will be hosting our **Inclusiveness & Outreach Committee** meeting on Wednesday, Jan 12, 2022 at 11am where we will be reviewing our DEI (Diversity, Equity & Inclusion) Tracking Tool . It helps organizations like ours evaluate the extent to which the board, staff, and other stakeholders represent the diversity of the communities they serve.
