Fall Fundraiser

Support Denver Open Media

Colorado has a vibrant music scene and Denver Open Media Radio is proud to be the only Denver FM radio station that is 100% dedicated to local music and content. That means all of the music you hear on our station is from Colorado artists, bands and musicians. All of our live and pre-recorded shows are made by local producers and creatives. The station is largely operated by members, volunteers and interns which truly makes this a community run station. Denver Open Media's mission continues to be about empowering the community through media. As part of our Fall fundraising efforts we are asking all of our DOM supporters to make a \$25 donation to help us continue our mission. To get more information and make a donation please visit <https://www.coloradogives.org/donate/OpenMedia> or email dom@openmediafoundation.org
