### March is Irish-American Heritage Month

#### President Biden to Proclaim March as Irish-American Heritage Month

The heritage month is in March to coincide with Saint Patrick's Day, the Irish national holiday on March 17. Saint Patrick's Day is a Catholic religious holiday that honors the saint, who introduced Christianity to Ireland in the early fifth century. It has developed in the United States as a celebration of all things Irish.

The President of the United States has issued a proclamation each year since 1991.
