Media Job Opportunities

In partnership with [Colorado Workforce Development Council](#), [AmeriCorps VISTA](#), our [Open Media Career Engine](#) is expanding diversity in local media industry through a free HR service provided to Colorado media and journalism employers.

Here are some current job opportunities as listed by the Career Engine:

[Assistant Food Editor](#) - 5280 Magazine
[Indigenous Affairs Editor](#) - High Country News

Web Client - Chicago Justice Project

[Chicago Justice Project](#) came to Open Media with the goals to make their website more news-centric and share frequent updates on their work around justice issues in Chicago, and to increase financial support for their efforts.

Check out their new website [here](#), developed by Open Media!

Open.Media Language Switcher

[Open.Media](#), our government transparency software-as-a-service, is always looking for new and innovative ways for governments to increase engagement with their constituents.

By request of the [City of Santa Barbara, California](#), Open.Media developed a new language switcher that allows users to easily switch between Spanish and English. The feature also allows for the display to be integrated into separate language sections on their website.

Check out the new Open.Media switcher [here](#) on Santa Barbara's website!

Colorado Channel in National News

Have you seen the [Colorado Channel](#) in the news lately?

[CNN](#), [Rawstory](#), and [Newsweek](#) are some of the national media outlets that have featured Colorado Channel coverage in recent news items.

The Colorado Channel is proudly operated by Open Media in partnership with the [Colorado General Assembly](#), and is powered by the [Open.Media](#) SaaS.

Intro to Radio Operations

June 22 and 24

This two-day class covers the basics of radio operations at Denver Open Media, 92.9 FM. The first evening includes FCC requirements, as well as policies about profanity, calls-to-action and underwriting. On the second evening, the class will cover the basics of radio DJing on Denver Open Media.

Calling All Podcasters

Most of you know that [Denver Open Media Radio](#) 92.9FM and 89.3HD3 is dedicated entirely to local artists, with over 10,000 songs submitted by local bands. Did you know that we also have blocks reserved for podcasts?

Do you have a podcast, know someone with a podcast, or want to learn to make your own? Well, we want to get it on the air!

Your Podcast will be accessible on our website and featured on 92.9FM and 89.3HD3 radio every week as part of Podcast Sundays.

For a taste of what you might hear on Sundays, check out our own Executive Director (and new father) Tony Shawcross and his new [Radical Parenting Podcast](#), airing every Sunday on Denver Open Media Radio!
