STATE COURT REPORT

Democracy & the Colorado Constitution: Success Story or Cautionary Tale?

Open Media is recording a seminar for democracy organized by CU Denver School of Public Affairs, The Brennan Center for Social Justice and sponsors. The seminar explores how Coloradans have used the state constitution to expand rights beyond those offered in the U.S. Constitution.

2023 SIPA User Conference

Open Media recorded and live streamed Colorado Statewide Internet Portal Authority's 11th Annual User Conference. The conference presented case studies by SIPA suppliers.

The conference was open to all Colorado government employees from state and local government organizations, special districts, and public K-12, colleges and universities.

GOVERNMENT

Walsenburg, Colorado on Open.Media

Walsenburg, in southern Colorado, was originally settled under the name of La Plaza de Los Leones in 1859.

A post office called Walsenburg started operations in 1870. Three years later, in 1873, City of Walsenburg was incorporated, making it the 7th incorporated municipality of Colorado.

The city now has a population of 3,049.
