Video Client - Rocky Mountain Immigrant Advocacy Network

The Open Media Video Production team recently finished a [video](#) for the [Rocky Mountain Immigrant Advocacy Network](#) (RMIAN).

RMIAN is nonprofit organization that serves low-income adults and children in immigration proceedings. RMIAN promotes knowledge of legal rights, provides effective representation to ensure due process, works to improve detention conditions, and promotes a more humane immigration system, including alternatives to detention.

92.9 FM AND 89.3 HD3

DENVER
OPEN MEDIA

Intro to Radio Operations

September 7 and 9

This two-day class covers the basics of radio operations at Denver Open Media, 92.9 FM. The first evening includes FCC requirements, as well as policies about profanity, calls-to-action and underwriting. On the second evening, the class will cover the basics of radio DJing on Denver Open Media.

Looking for Interns!

We are looking for passionate interns for Denver Open Media Radio.

This position is for someone with an interest in learning the inner workings of a FM radio station, including learning how to program on a broadcast server, and schedule radio content for DOM 92.9 FM / 89.3 HD3. Radio interns will work with the Station Director to provide member services including converting audio files for radio, scheduling content for air, supporting members, making sure content is FCC compliant, and going through DOM archives to identify and convert appropriate content for radio.
